

The West Virginia Woodturners Association

Working together to advance the woodturners heritage and history

Mission Statement

The mission of the West Virginia Woodturners Association, Inc. is to educate both woodturners and the public, in and about the art and craft of woodturning. This mission will be accomplished by encouraging and facilitating the establishment of training programs for woodturners; by disseminating information about sources of material and equipment; by exposing the art and craft of woodturning to the public; to serve as a center of information about woodturning for members, galleries, local businesses, the general public and other interested groups; and advance the woodturners heritage and history, by encouraging our local woodturning artisans and businesses to create and sell turned wooden products today that will become tomorrows Heritage and History.
